4.4.2. There are established systems and procedure for maintaining and utilizing physical, academic and support facilities- laboratory, library, sports complex, computer, classrooms etc

The college has maintenance committee that look over the maintenance of college building.

The respective members of the committee perform their functions and they are reviewed periodically to ensure the maximum utilization of institutional resources.

College building and premises is cleaned and maintained regularly by the concern staff and record are maintained.

Dustbins are placed everywhere throughout the campus and campus is maintained green. Parking facilities and roads are monitored and maintained neat.

Generator, Air conditioners, CCTV cameras, water purifiers, instruments, gas cylinders are maintained by the concern staff and Annual Maintenance contract (AMC).

Laboratory staff maintain the college computers, laboratories equipment's, glassware's and accessories. Proper inspection and verification take place by concern staff at the end of every year.

The requirements are collectively processed from every department before the commencement of new session.
