## FACILITIES FOR WOMAN IN CAMPUS

### a) SAFETY & SECURITY

An entire college campus is covered with CCTV surveillance cameras, which continuously monitor the campus at various locations. The location of these cameras is the main entry gate, college premises, corridors, admin office, and library, etc. The campus is fortified by high compound walls and the entry gates are guarded by security guards. The College campus has ample lighting for safety at night.

### b) COUNSELLING

The institution has Internal Complaint Committee and a women's Grievance cell to handle various issues like women's rights & security. The institute has formed an Anti-ragging committee chaired by senior faculty of the institute & comprising of faculty representatives and student representatives to avoid undue incidences of ragging either in college. Guardian Faculty Member regularly counsel regarding attendance, behaviour, performance of the students in the exam.
